

## The Films

90+ films shown from documentaries, shorts, feature films and all genres from all over the world.

## Education

We host workshops focused on youth filmmakers, industry specialists and a filmmaker's breakfast panel of speakers sharing relevant industry knowledge.

## Events

We want our filmmakers, audience attendees, and volunteers to feel like it's a family reunion by offering multiple networking events, after parties, and ways to connect before, during and after the festival.

## Awards

We are excited to provide 26 to 30 award for recognition of the talented filmmakers and supporters of our film festival. This is one of our major highlights of the festival the awards ceremony!!

## WWFF 2020 FOCUS ON THE FUTURE

Mission: "The Worldwide Women's Film Festival educates, supports, and empowers women in the collaborative endeavor of filmmaking while we shine a light on women's stories, stories by women, and other diverse experiences across all genders."
